ORDER AMENDING LICENSES AND DIRECTING
ISSUANCE OF A LICENSE

WHEREAS Citizens Utilities Company of California
owns and operates an integrated water supply system for service
to the community of Felton and adjoining area by diversion of
water from several sources under several appropriative water
rights to wit:

LICENSES 6275, 6276 AND 6277 ON BENNETT
CREEK

LICENSE 5398 ON FALL CREEK

PERMIT 5137 ON BULL CREEK AND BULL SPRING

WHEREAS the terms of Licenses 6275, 6276 and 6277
limit simultaneous diversion from Bennett Creek to 0.67 cubic
foot per second, and

WHEREAS License 5398 authorizes a maximum diversion
from Fall Creek of 0.71 cubic foot per second, and

WHEREAS water diverted from Fall Creek under License
5398 is commingled with the water diverted from the other

sources and the license should for this reason be limited with these other diversions and in addition thereto, and

WHEREAS an inspection has been conducted and it has been determined that use of water from Bull Creek and Bull Spring under Permit 5137 is complete and license should be issued limiting diversion from these sources to 0.42 cubic foot per second, and

WHEREAS inspection has also determined that the total amounts of water diverted, commingled and placed to beneficial use under all five rights has been 0.71 cubic foot per second during the week of maximum use and 291 acre-feet per year, and

WHEREAS Mr. Ted Chenault, Vice President and General Manager of the Citizens Utilities Company of California, has agreed to the amendment of the licenses as ordered herein,

NOW THEREFORE IT IS ORDERED that a license be issued on Permit 5137 for 0.42 cubic foot per second, and

IT IS FURTHER ORDERED that Licenses 5398, 6275, 6276 and 6277 and the license to be issued on Permit 5137 all be subject to the limitation that simultaneous diversions under all five licenses shall not exceed 0.71 cubic foot per second and that the total amount of water diverted under all five licenses shall not exceed 291 acre-feet per year.

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 8845

PERMIT 5138

LICENSE 5398

THIS IS TO CERTIFY, That

Felton Water Company
Box 338
Felton, California

has made proof as of November 10, 1958
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
Fall Creek in Santa Cruz County

tributary to San Lorenzo River

for the purpose of domestic use
under Permit 5138 of the State Water Rights Board and that said right to the use of said water has been
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the
terms of the said permit; that the priority of the right herein confirmed dates from December 5, 1936;
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed seventy-one hundredths (0.71)
cubic foot per second to be diverted from January 1 to December 31 of each year.

The point of diversion of such water is located :

North forty-five degrees five minutes east (N45°05'E) seventy-eight (78) feet from
the fractional corner between Sections 16 and 21, T10S, R2W, MDB&M, on the west
boundary line of Zayante Rancho, being within the SE₁ of SE₁ of projected Section
16, T10S, R2W, MDB&M.

A description of the lands or the place where such water is put to beneficial use is as follows:

Within Sections 15, 16, 21, 22, 23, 26, 27, and 28, T10S, R2W, MDB&M, as shown on
map filed with the State Water Rights Board.

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time
to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein
specified and to the lands or place of use herein described.

This license and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

- Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.
- Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).
- Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.
- Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.
- Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).
- Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.
- Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
